Taking note of the report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East covering the period from 1 January to 31 December 2005,[1]

Aware of the continuing needs of the Palestine refugees throughout all the fields of operation, namely, Jordan, Lebanon, the Syrian Arab Republic and the Occupied Palestinian Territory,

Expressing grave concern at the especially difficult situation of the Palestine refugees under occupation, including with regard to their safety, well-being and living conditions,

Noting the signing of the Declaration of Principles on Interim Self-Government Arrangements on 13 September 1993 by the Government of Israel and the Palestine Liberation Organization[2] and the subsequent implementation agreements,

Aware of the important role to be played in the peace process by the Multilateral Working Group on Refugees of the Middle East peace process,

1. *Notes with regret* that repatriation or compensation of the refugees, as provided for in paragraph 11 of General Assembly resolution 194 (III), has not yet been effected, that, therefore, the situation of the Palestine refugees continues to be a matter of grave concern and that the Palestine refugees continue to require assistance to meet basic health, education and living needs;

2. *Also notes with regret* that the United Nations Conciliation Commission for Palestine has been unable to find a means of achieving progress in the implementation of paragraph 11 of General Assembly resolution 194 (III), and reiterates its request to the Conciliation Commission to exert continued efforts towards the implementation of that paragraph and to report to the Assembly as appropriate, but no later than 1 September 2007;

3. *Affirms* the necessity for the continuation of the work of the United Nations Relief and Works Agency for Palestine Refugees in the Near East and the importance of its unimpeded operation and its provision of services for the well-being of the Palestine refugees and for the stability of the region, pending the just resolution of the question of the Palestine refugees;

4. *Calls upon* all donors to continue to make the most generous efforts possible to meet the anticipated needs of the Agency, including with regard to increased expenditures arising from the deteriorating socio-economic and humanitarian situation in the region, particularly in the Occupied Palestinian Territory, and those mentioned in recent emergency appeals.
